1. UNIVERSITY OVERVIEW

Full Name	Bangladesh Army University of Science and Technology (BAUST)
Bengali Name	বাংলাদেশ সশস্ত্র বাহিনীর বিশ্ববিদ্যালয়
Short Name	BAUST
Type	Private University — sponsored by Bangladesh Army Welfare Trust
Established	15 February 2015
Inaugurated by	Asaduzzaman Noor, former Minister of Cultural Affairs, Bangladesh
Location	Saidpur Cantonment, Saidpur Upazila, Nilphamari District, Rangpur Division, Bangladesh
Coordinates	25°45'47"N 88°55'03"E (25.7631°N, 88.9175°E)
Postal Address	Saidpur Cantonment, Saidpur-5310, Bangladesh
Chancellor	President of Bangladesh
Vice-Chancellor	Brigadier General Mohammad Mobarak Hossain Majumder, PSC
Motto	Discipline, Knowledge, Morality
University Colors	Green and Golden
Campus Type	Urban / Cantonment campus
Total Students	3,000+
Undergraduates	1,000+
Postgraduates	800+
Doctoral Students	50+
Website	https://www.baust.edu.bd
Admission Portal	https://admission.baust.edu.bd
Approval	UGC (University Grants Commission) and Government of Bangladesh Approved
Residential	100% residential facilities for students
Nearby Landmark	Saidpur Airport — very close to the university campus
Nature	Saidpur Cantonment is a calm, quiet education environment, free from city pollution

2. VISION & MISSION

University Vision

The University aspires to transform into a center of excellence in Science, Engineering and Technology programs by providing innovative, multi-disciplinary courses and extensive research facilities to the young generation of the country and beyond. It endeavors to make the University a hub of knowledge and be recognized as a leading university of the country.

University Mission

- Conduct undergraduate and postgraduate programs in Engineering, Science, and Business disciplines.
- Foster research and innovation to meet national and international demands.
- Develop disciplined, knowledgeable, and morally upright graduates.
- Collaborate with industry and international institutions for academic excellence.
- Provide 100% residential, secure, and disciplined campus environment.

CSE Department Vision

To be a center of excellence in Computer Science and Engineering education and research, producing competent and ethical engineers who contribute to technological advancement at national and international levels.

CSE Department Mission

- Provide high-quality undergraduate and postgraduate education in CSE.
- Equip students with strong theoretical foundations and practical skills aligned with industry needs.
- Promote research in emerging areas such as AI, Machine Learning, Computer Vision, Networking, and Cybersecurity.
- Engage with industry and academic partners nationally and internationally.
- Nurture students with discipline, ethics, and professional responsibility.

3. FACULTIES & DEPARTMENTS

Faculty	Departments
Faculty of Engineering (ECE)	Dept. of Computer Science & Engineering (CSE) Dept. of Electrical & Electronic Engineering (EEE) Dept. of Information and Communication Technology (ICT)
Faculty of Mechanical & Production Engineering (MPE)	Dept. of Mechanical Engineering (ME) Dept. of Industrial & Production Engineering (IPE) Dept. of Civil Engineering (CE)
Faculty of Business & Social Science	Dept. of Business Administration (DBA) Dept. of Accounting and Information Systems (AIS) Dept. of English Dept. of Arts and Sciences (Physics, Chemistry, Math, Sociology, Bangla)

4. PROGRAMS OFFERED & ADMISSION OVERVIEW

Undergraduate Programs (B.Sc. Engineering) — 4 Years / 8 Semesters

Sl .	Program	Credits	Dept. Info Number
1	B.Sc. Engg. in Computer Science and Engineering (CSE)	161	01769675560
2	B.Sc. Engg. in Electrical and Electronic Engineering (EEE)	161	01769675562
3	B.Sc. Engg. in Mechanical Engineering (ME)	160	01769675564
4	B.Sc. Engg. in Industrial and Production Engineering (IPE)	160	01769675566
5	B.Sc. Engg. in Civil Engineering (CE)	—	—
6	B.Sc. in Information and Communication Technology (ICT)	—	—

Postgraduate Programs

#	Program
1	Master of Business Administration (MBA)
2	MA in English (ELT)
3	Ph.D. programs (available in select departments)

Other Programs

- BA (Honours) in English — English Department
- BBA in Accounting and Information Systems (AIS)

Admission Policy

- Each department accepts 100 students per semester.
- 3% of total seats reserved for sons/daughters of Freedom Fighters.
- 3% reserved for poor and meritorious candidates from remote/underdeveloped areas.

- International students: maximum 10 students per department allowed.
- Admission is highly competitive — based on SSC and HSC results + written admission test.
- Minimum qualifying mark in the written admission test: 40%.
- Merit list is prepared based on admission test scores.
- Candidates selected through merit process undergo medical checkup at BAUST/CMH, Saidpur Cantonment.
- Admission cancellation is generally not permissible; only considered under special circumstances.
- Online Application: <https://admission.baust.edu.bd>

5. ADMISSION REQUIREMENTS & FEE STRUCTURE

Admission Test Subjects

Written admission test (100 marks, 2 hours duration) covers: Bangla, English (HSC syllabus), ICT, General Knowledge, and Analytical Ability.

Fee Structure (Engineering Programs — B.Sc. CSE/EEE/ME/IPE/CE/ICT)

Fee Type	Amount (BDT)
Establishment Fee (one-time at admission)	TK 65,000
Semester Fee (per semester)	TK 90,000
Total Program Fee (approx.)	TK 6,95,000
Caution Money (refundable)	TK 5,000
Admission Form Fee (Pay Order/Bank Draft)	TK 750
Hall Admission Fee (residential)	TK 10,000 (TK 3,000 refundable + TK 5,000 food/lodge + TK 2,000 admission)
Monthly Hall Charge (seat rent + meal)	TK 5,000 approx.

Fee Structure (BBA / BBA in AIS)

Fee Type	Amount (BDT)
Establishment Fee	TK 60,000
Semester Fee	TK 66,429
Total Program Fee	TK 5,25,000

Fee Structure (English Department)

Fee Type	Amount (BDT)
Establishment Fee	TK 50,625
Semester Fee	TK 57,054
Total Program Fee	TK 4,50,000

Payment Information

Bank	Trust Bank Ltd., Cantonment Branch, Saidpur
Account No. (Academic Programs)	0060-0210001280
bKash Payment Number	01769-675556
Helpline	01769675554
Academic Office Email	dr_academic@baust.edu.bd
Tuition Fee Payment Guide	https://www.baust.edu.bd/admission/tuition-fee-payment-procedure/

6. CSE DEPARTMENT — OVERVIEW

Department Name	Department of Computer Science and Engineering (CSE)
Faculty	Faculty of Engineering (ECE)
Website	https://baust.edu.bd/cse
Head of Dept. (HoD)	Dr. Md Nakib Hayat Chowdhury (Associate Professor and Head)
HoD Phone	01769675560 (Official HoD Line)
HoD Email	hdcse@baust.edu.bd nakib@baust.edu.bd nakib2025@gmail.com
HoD Personal Phone	01703899959
Degree Offered	B.Sc. Engineering in Computer Science and Engineering
Total Credits	161 credit hours
Duration	4 years / 8 semesters
Intake per Semester	100 students
Current Batch	18th Batch (as of 2026)
Syllabi Available	Syllabus 2015, Syllabus 2019, OBE Syllabus 2021 (Batch 12 onwards)
Education Framework	Outcome Based Education (OBE) — from Batch 12 (Syllabus 2021) onwards
Dept. General Info	Computer plays a vital and indispensable role in all fields of modern human activities

Department Description

The Department of Computer Science and Engineering at BAUST, Saidpur is one of the founding departments of the university, established at its inception on 15 February 2015. The department is committed to delivering quality education and facilities ensuring students are exposed to the latest technology trends. Recognizing rapid global advancement of technology and its impact on national economies, the department emphasizes industry-oriented learning as an effective mechanism for strengthening educational outcomes.

The CSE department has well-qualified faculty members with specializations from different backgrounds, including graduates from BUET, RUET, KUET, CUET, SUST, Jahangirnagar University, and international institutions in South Korea, Japan, Malaysia, Finland, Italy, China, and Australia. The department boasts state-of-the-art laboratory facilities and a dedicated team of faculty passionate about their field.

7. CSE SYLLABUS & CURRICULUM

Syllabus Versions

Syllabus Version	Applicable Batches	Status
Syllabus 2015 (Version 1)	1st Batch only	Archived
Syllabus 2015 (Version 2)	2nd to 8th Batch	Archived
Syllabus 2019	9th to 11th Batch	Superseded
OBE Syllabus 2021	12th Batch and onwards (current)	Active

Credit Hour Summary (OBE Syllabus 2021 — 161 Total Credits)

Course Category	Details
Core CSE Courses	Offered by the Department of CSE (theory + lab)
Arts & Sciences (A&S;) Courses	Mathematics, Physics, Chemistry, English, Sociology, Bangla
EEE Supporting Courses	Basic Electrical Engineering courses for CSE students

Course Category	Details
ME Supporting Courses	Basic Mechanical Engineering concepts
Elective Courses	Students choose from a set of elective courses in higher levels
Project / Thesis	Final year project/thesis component
Each Term	4 to 6 theory courses per term, plus lab courses
Course Code Structure	First digit = Level; Second digit = Term; Third digit = Dept. use; Fourth digit = Area/group

OBE Framework (Outcome Based Education)

From Batch 12 onwards, BAUST CSE follows the Outcome Based Education (OBE) framework across all courses. OBE ensures the curriculum is aligned with the latest industry standards and academic expectations, preparing students to become highly skilled professionals. Each course has defined Course Outcomes (COs) mapped to Program Outcomes (POs) and Graduate Attributes.

8. COURSE LIST BY SEMESTER (Representative — Syllabus 2019/2021)

The following is a representative list of courses taught across the 8 semesters of the B.Sc. CSE program at BAUST. The exact course codes and names may vary slightly between Syllabus 2019 and OBE 2021.

Level 1 — Term 1 (Semester 1)

- Introduction to Computer Science & Engineering (CSE-1101)
- Sessional: Introduction to CSE (CSE-1102)
- Calculus & Linear Algebra (MATH-1101)
- Calculus & Linear Algebra Sessional (MATH-1102)
- Physics I (PHY-1101)
- Physics I Sessional (PHY-1102)
- English Language (ENG-1101)
- Introduction to Electrical Circuits (EEE-1101)

Level 1 — Term 2 (Semester 2)

- Structured Programming Language (CSE-1201)
- SPL Sessional (CSE-1202)
- Coordinate Geometry & Vector Analysis (MATH-1201)
- Physics II (PHY-1201)
- Chemistry (CHEM-1201)
- Chemistry Sessional (CHEM-1202)
- Technical Report Writing & Presentation (ENG-1203)

Level 2 — Term 1 (Semester 3)

- Object Oriented Programming (CSE-2101)
- OOP Sessional (CSE-2102)
- Discrete Mathematics (CSE-2103)
- Data Structures (CSE-2105)
- Data Structures Sessional (CSE-2106)
- Differential Equations & Fourier Analysis (MATH-2101)
- Electrical Circuits (EEE-2101)
- Electrical Circuits Sessional (EEE-2102)

Level 2 — Term 2 (Semester 4)

- Algorithms (CSE-2201)
- Algorithms Sessional (CSE-2202)
- Digital Logic Design (CSE-2203)
- Digital Logic Design Sessional (CSE-2204)
- Database Management Systems (CSE-2205)
- DBMS Sessional (CSE-2206)
- Statistics and Probability (MATH-2201)
- Electronics (EEE-2201)

Level 3 — Term 1 (Semester 5)

- Operating Systems (CSE-3101)
- OS Sessional (CSE-3102)

- Microprocessors & Assembly Language (CSE-3103)
- Microprocessors Sessional (CSE-3104)
- Computer Organization & Architecture (CSE-3105)
- Software Engineering (CSE-3107)
- Computer Networks (CSE-3109)
- Numerical Methods (MATH-3101)

Level 3 — Term 2 (Semester 6)

- Compiler Design (CSE-3201)
- Compiler Design Sessional (CSE-3202)
- Computer Networks Sessional (CSE-3203/CSE-3204)
- Software Engineering Sessional (CSE-3207/CSE-3208)
- Theory of Computation (CSE-3205)
- Artificial Intelligence (CSE-3209)
- AI Sessional (CSE-3210)
- Engineering Economics & Management (HUM-3201)

Level 4 — Term 1 (Semester 7)

- Machine Learning (CSE-4101) [Elective]
- Computer Vision (CSE-4103) [Elective]
- Cryptography & Network Security (CSE-4105)
- Information System Security (CSE-4107) [Elective]
- Web Engineering (CSE-4109) [Elective]
- Project / Thesis Part-I
- Seminar

Level 4 — Term 2 (Semester 8)

- Deep Learning / Neural Networks [Elective]
- Internet of Things (IoT) [Elective]
- Cloud Computing [Elective]
- Natural Language Processing [Elective]
- Project / Thesis Part-II (Final Submission & Defence)
- Industrial Attachment / Internship

9. LABORATORIES & FACILITIES

Lab Name	Description / Equipment
Programming Lab	Main computing lab for programming courses. Equipped with modern PCs running Windows and Linux. IDE support: Visual Studio, Code::Blocks, Eclipse, PyCharm, etc. Adequate projection facilities for lectures and presentations.
Database Engineering Lab (DB Lab)	Designed for courses related to Database Management Systems (DBMS). Equipped with 36 latest Dell OptiPlex machines. Software: Oracle RDBMS, Microsoft SQL Server, MySQL, Microsoft Access. Organized with adequate spaces for students and teacher interaction.
Software Engineering Lab	For courses related to systematic development, operation, and maintenance of software. Tools for software design, UML modeling, version control, and testing.
Microprocessor & Interfacing Lab	Dedicated lab for Microprocessor and Assembly Language courses. Introduction to 8-bit and 16-bit microprocessors. Interfacing with hardware components and I/O devices.
Networking Lab	For Computer Networking courses. Cisco networking equipment, routers, switches, and network simulation tools (Cisco Packet Tracer, GNS3). Hands-on TCP/IP, LAN/WAN configuration.
Digital Logic & Computer Architecture Lab	For Digital Logic Design and Computer Organization courses. Logic gates, flip-flops, counters, registers, breadboard experiments.
Artificial Intelligence & Machine Learning Lab	For AI, ML, and Computer Vision courses. GPU-enabled machines for deep learning experimentation. Python-based frameworks: TensorFlow, PyTorch, scikit-learn, OpenCV.
Project / Research Lab	Dedicated workspace for 4th year project and thesis work. Students conduct research under faculty supervision.

General Campus Facilities

- Well-stocked library with academic books, journals, and digital learning resources.
- 100% residential facilities — separate halls for male and female students.

- University-operated transport service for students and staff.
- On-campus medical and first-aid facilities (BAUST/CMH, Saidpur Cantonment).
- Affordable and hygienic cafeteria for students, faculty, and staff.
- Projection and multimedia classrooms for enhanced learning.
- BAUST is located in a calm, quiet cantonment environment free from city pollution.

10. CO-CURRICULAR & EXTRACURRICULAR ACTIVITIES

Activity	Description
Programming Contest	Regular programming contests are organized to develop problem-solving skills. Students compete in ACM-ICPC style contests. BAUST teams participate in national-level programming competitions.
CSE Fest / CSE Festival	Annual festival organized by the CSE Department. Activities include: Project showcasing, Seminars, Quizzes, Programming Contest, Robotics Contest, Gaming, and more. The Fest provides students an opportunity to explore various related activities.
Software & Hardware Project Competitions	Students present innovative software and hardware projects. Judges include faculty and industry professionals. Best projects are recognized and awarded.
Workshops & Training	Workshops, seminars, and training are routine department activities. Topics include: Industry tools, Emerging technologies, Professional skills. Students satisfy interest in special/advanced areas through these sessions.
Cultural Programs	Cultural programs arranged at regular intervals to break the monotony of study. Events include: Nowroj/Pohela Boishakh, Victory Day, Language Day (21 February), and other national events.
BNCC (Bangladesh National Cadet Corps)	Anite Halim Sagor (Lecturer) also serves as Professor Under Officer (PUO), BNCC — indicating BAUST student participation in BNCC activities.
Sports & Physical Activities	Regular sports activities for students within the cantonment campus. Physical fitness is emphasized as part of the disciplined campus culture.

11. RESEARCH AREAS & SPECIALIZATIONS

Major Research Areas in CSE Department

Research Area	Details / Faculty Specialization
Artificial Intelligence (AI) & Computer Vision	Prof. Dr. S.M. Jahangir Alam: Ph.D. specialized in AI & Computer Vision (Xiamen University, China). Deep learning, image processing, pattern recognition.
Biomedical Engineering & AI	Dr. Md Nakib Hayat Chowdhury (HoD): PhD in Biomedical Engineering (UKM, Malaysia). Research Fellow, ICTP, Trieste, Italy. Medical image analysis, health informatics.
Machine Learning & Deep Learning	Multiple faculty pursuing advanced research. Focus on neural networks, NLP, and intelligent systems.
Software Engineering	Software design, development methodologies, OOP, software quality assurance.
Computer Networks & Security	Network architecture, protocols, cryptography, information system security, cybersecurity.
Database Systems & Big Data	Database engineering, data management, warehousing, cloud data systems.
Microprocessor & Embedded Systems	Hardware-software interfacing, IoT, embedded programming, microcontroller applications.
Compiler Design & Theory of Computation	Formal languages, automata theory, parsing, language processing.
Human-Computer Interaction	Usability engineering, web engineering, UI/UX design.
Dr. Mohammed Sowket Ali Research	PhD from South Korea. FIEB, FBCS, Senior Member-IACSIT, Member-IAENG. Advanced engineering and computing research.
Abu Saleh Musa Miah Research	PhD holder — active research in CSE domain.

Syllabus Committee for OBE 2021 (Chairman)

The OBE Syllabus 2021 was prepared and reviewed by a committee chaired by Professor Dr. S.M. Jahangir Alam with external academic experts from BUET (Prof. Dr. Muhammad Masroor Ali, Dept. of CSE) and MIST (Lt. Col. Dr. Muhammad Nazrul Islam, Dept. of CSE), along with professional organization/industry members.

12. PERMANENT FACULTY — FULL DETAILS

#	Name	Designation & Role	Phone	Email	Qualification	Expertise Area
1	Professor Dr. S.M. Jahangir Alam	Professor Senior Faculty; OBE Syllabus Committee Chairman	01766128002	jahangir@baust.edu.bd	Ph.D. (Doctor of Engineering; Specialized in AI & Computer Vision); Xiamen University (World rank ~300), China	Artificial Intelligence, Computer Vision, Deep Learning, Image Processing
2	Dr. Engr. Mohammed Sowket Ali	Associate Professor Senior Faculty	+8801769662712 (Official) +8801791895371 (Personal)	sowket@baust.edu.bd (Official) sowket@gmail.com (Personal)	PhD. and M.Engg. (South Korea); B.Sc. Engg.; FIEB; FBCE; Senior Member-IACSIT; Member-IAENG	Engineering Research, Computing, Professional Body Member
3	Engr. Md. Mamun Hossain	Associate Professor Faculty	01769662713 (Off) +8801717690847	mhossain@baust.edu.bd mamunsust12@gmail.com	Ph.D. (Pursuing) in CSE, RUET; M.Sc. (Thesis) in CSE, SUST; B.Sc. Engg. in CSE, SUST	CSE Research (Pursuing PhD at RUET)
4	Dr. Md Nakib Hayat Chowdhury	Associate Professor and Head of Department HoD; Research Fellow ICTP Italy	01703899959 (Personal) 01769675560 (HoD Line)	nakib@baust.edu.bd nakib2025@gmail.com hdcse@baust.edu.bd	Research Fellow, ICTP, Trieste, Italy; PhD in Biomedical Engineering, UKM, Malaysia; M.Sc. in CSE, RU; BSc. in CSE, RU	Biomedical Engineering, Medical Informatics, AI in Healthcare
5	Taher Muhammad Mahdee	Associate Professor Faculty	01769662717 (Official) 01717244737 (Personal)	mahdee@baust.edu.bd t.mahdee@gmail.com	M.Sc. (Thesis) in CSE; B.Sc. (Hons) in CSE	Computer Science and Engineering
6	Engr. Md. Al-Hasan	Associate Professor Faculty	+8801722-774004 (Personal)	al-hasan@baust.edu.bd hasan07cse@gmail.com	PhD in CSE (Pursuing); M.Sc. in CSE; B.Sc. in CSE (CUET)	CSE (PhD Pursuing)
7	Fatema Tuz Zohra	Assistant Professor Faculty	+8801728646700 (Personal)	fatema@baust.edu.bd fatematuzzohramishu@gmail.com	B.Sc. Engg. in CSE (CUET); M.Sc. in CSE (Jahangirnagar University)	Computer Science and Engineering
8	Ashrafun Zannat	Assistant Professor Faculty	01991553382	spzannat@baust.edu.bd	M.Sc. in ICT (BUET); B.Sc. in CSE	ICT, Computer Science
9	Ananna Hoque Shathi	Assistant Professor Faculty	01759585645	anannahoque.cse10@gmail.com	M.Sc. Engg. in CSE, RUET; B.Sc. in CSE, RUET	Computer Science and Engineering (RUET Graduate)
10	Md. Mahadi Hasan	Assistant Professor Faculty	01303516351	mahadihasan@baust.edu.bd mahadihasan1604020@gmail.com	Ph.D. (Pursuing) in CSE, RUET; M.Sc. Engg. in CSE, RUET; B.Sc. Engg. in CSE, CUET	CSE Research (Pursuing PhD at RUET)
11	Munira Akter Mou	Lecturer Faculty	01717016355	mou@baust.edu.bd	M.Sc. Engg. in CSE, KUET (Pursuing); B.Sc. in CSE, BAUST	CSE (BAUST Alumni, KUET MSc Pursuing)

#	Name	Designation & Role	Phone	Email	Qualification	Expertise Area
1 2	Anite Halim Sagor	Lecturer PUO, BNCC Faculty + BNCC Officer	+88 01784055149 (Official) +88 01575602354 (Personal)	ahsagor@baust.edu.bd anitehalim@gmail.com	B.Sc. Engg. in CSE, BAUST; M.Sc. Engg. in CSE, KUET (Pursuing)	CSE; BNCC (Bangladesh National Cadet Corps) Professor Under Officer
1 3	Md Zahim Hassan	Lecturer & Program Coordinator Lecturer + Program Coordinator	01736393334	zahimhassan@baust.edu.bd	M.Sc.(Engg.) in CSE, RUET (On-going); B.Sc.(Engg.) in CSE, KUET	CSE; Program Coordination
1 4	Shifa Tasmiah Tisha	Lecturer Faculty	01750391581	stisha@baust.edu.bd	B.Sc. Engg. in CSE, CUET; M.Sc. Engg. in CSE, CUET (Ongoing)	CSE (CUET Graduate, CUET MSc Ongoing)

18. CAMPUS LIFE & FACILITIES

Facility / Policy	Details
Residential	100% residential facilities. BAUST offers compulsory on-campus living for students.
Student Halls	Separate residential halls for male and female students. Secure and disciplined environment.
Hall Provost	Hostel administration is performed by a Provost selected from senior faculty.
Hall Charges	TK 10,000 hall admission fee + TK 5,000/month (seat rent + meals approx.)
Dress Code	Students must wear dress with displayed identity card as per BAUST Dress Code at all times on campus.
Discipline	Zero tolerance: sexual abuse, harassment, drug abuse and addiction strictly observed. Students are strictly forbidden from forming/joining student organizations or political parties other than those set up by university authority.
Medical Facility	On-campus medical and first-aid facilities. BAUST/CMH, Saidpur Cantonment.
Library	Well-stocked library with academic books, journals, and digital learning resources.
Transport	University-operated transport service for students and staff.

Facility / Policy	Details
Cafeteria	Affordable and hygienic cafeteria for students, faculty, and staff.
Cultural Events	Cultural programs arranged at regular intervals to break monotony of study.
Sports	Regular sports activities for students within the cantonment campus.
Campus Environment	Saidpur Cantonment: calm, quiet, free from city pollution. Surrounded by natural beauty — 'Whistling birds on tree branches'.
Location Advantage	Saidpur Airport is very close to the university campus, enabling easy travel.
Security	Cantonment-based campus provides high security and discipline.

19. ACADEMIC RULES & REGULATIONS

Rule / Policy	Details
Academic Governance	Academic Council: Vice Chancellor, Pro VC, All Deans, All Dept/Institute Heads, One Professor per Dept, 3 Education Patrons (Board of Trustees), 2 Educationalists (Syndicate), Registrar BAUST.
Program Structure	4 Years / 8 Semesters / 2 Terms per Year
Courses per Term	4–6 theory courses per term, plus corresponding lab courses
Course Code Format	Dept Code + 4 digits: [Level][Term][Dept-use][Area]
Elective Courses	Students choose elective courses from approved lists in higher levels (Level 3–4)
Assessment	Continuous assessment + mid-term + final examinations
OBE Framework	Course Outcomes (COs) mapped to Program Outcomes (POs) from Syllabus 2021 onwards
Thesis/Project	Final year project/thesis — two-part (Part I and Part II/Defence)
Minimum Admission Score	40% in written admission test required for eligibility
Conduct Rules	No student political parties or organizations allowed. Zero tolerance on harassment, drugs, and misconduct.
International Students	Maximum 10 international students per department; see 'Information for International Students'
Admission Cancellation	Generally not permissible; only on special grounds and per official guidelines
Medical Requirements	Medical checkup mandatory before final admission confirmation at BAUST/CMH
Caution Money	TK 5,000 refundable on completion/departure
